Summary

Driven and motivated Software Engineer with a deep passion for technology and innovation, specializing in front-end development. Quick to learn, adept at problem-solving, and highly collaborative in achieving team goals. Committed to staying at the forefront of emerging technologies and leveraging academic knowledge to make meaningful contributions to dynamic development teams.

Education

Software and Computer Engineering, Technical University of Gabrovo (Bachelors)

September 2019 - May 2023

Electrical and Computer Engineering, Fachhochschule Schmalkalden (Double Degree)

September 2021 - May 2022

I pursued a double degree in Electrical and Computer Engineering at Fachhochschule Schmalkalden, with a primary focus on programming. This program provided me with a strong foundation in software development and computer engineering, emphasizing practical and theoretical knowledge to tackle complex technological challenges.

Course

Front-end Development, Codecademy

April 2023
